London Trip

As many of you will be aware, Year 6 visited London on Friday. During our visit I was made aware of an incident in London which caused concern for our year 6 parents. Following advice from the Multi Academy Trust, we did not visit the British Museum but continued with our visit to the Houses of Parliament. The children remained unaware and this enabled them to enjoy the day. Although parents were relieved to see us all back safely, the children had an amazing time and have produced some fantastic work.

Photograph Day

The photographer will be in school next week on Tuesday 26th September to take photographs of your child. The children always like to look smart for their photographs, so please remind them in case they forget.

Immunisation letters

Immunisation forms will be sent out today for all pupils in years 3 and 4. The school nurse and her team will be in school on Monday 9th October to administer a nasal spray which has an excellent safety record and is used worldwide to protect against flu. We would like the forms back asap but if you have any concerns or questions regarding this, please contact us.

Severn Trent

Yesterday, Mr Malcolm Smith led an assembly on the importance of looking after water and our drains. All children have been given a promise postcard to complete at home. There is also a website address: stwater.co.uk/save-water where parents can order free water saving resources such as shower timers to help save water in the home.
